The legacy which you leave LMC is considerable

The contributions you have made through your athletic, academic, spiritual and social pursuits leave the tradition which is Lake Michigan Catholic High school enriched and strengthened. Trying to imagine LMC without you has haunted and burdened me since the day I first addressed you as SENIORS. But LMC will never be without you, just as a family is never without the love shared between its members no matter how far apart they may be.

Your class has been blessed in so many ways. And to your credit those blessings have been shared. Your athletic teams have amassed awesome records. In winning you were gracious and in losing you were proud. The academic honors earned by your class are a credit to your commitment to excellence and serve to publicly affirm the goals of our Catholic School to provide academic excellence in a Christian environment. At the heart of the LMC tradition are our religious values. You have shown yourselves to be men and women of honor and integrity both in your public and private lives. Your faith, hope and charity served as an example to all those with whom you came into contact. You've heard so many times from so many people that you are a special class. You are Catholic education at its finest. Yours is a very special class because it is made up of very special people. Each unique, each with a crucial contribution to make.

To each of you I extend my thanks for your contribution to the proud tradition of the Lake Michigan Catholic School system. We exist for you, and because of you we are great. A special thanks must also go to all of those parents and friends who have given so much of their time, talent, and treasure so that you and all of those before you could be educated in a Christ-centered environment. Next to life itself, the finest gift that parents can give children is the gift of Faith. Yours have made many sacrifices to afford you the opportunity to grow in your faith-life.

As you reflect on your experiences at LMC I hope you will always be very sure that you have been especially blessed. You should also know that family members always carry with them memories of joys shared and sorrows endured together. LMC is a family in the finest sense of the word and you are beloved sons and daughters. May God continue to shower you with His finest blessings.

Fondly,
Karla J. Cook

Lake Michigan Catholic's traditional Homecoming festivities have always been full of fun, excitement, and school spirit. Homecoming 1982 was no exception. It included such activities as hat day, backwards/clash day, nationality day, stuffed animal day, and one of the most interesting endeavors: slave day. The week long celebration was highlighted by the football team's 24-7 victory over Eau Claire and was brought to a close with the traditional Homecoming dance. The success of Homecoming 1982 made it live up to its theme, "A dream to remember".

Christmas

Christmas at LMC arrived with warm hearts and warm temperatures to match. Although it was something less than a white Christmas, the students wasted no time getting into the spirit of things. The holiday highlights included Christmas Mass, a "Kristmas Kookie Kontest" and the annual Kris Kringle gift exchange party which was well advertised through Kris Kringle Jingles. The Jingle Bell Ball came as the star on top of the tree and it also just may have been the cause of the rise in temperature.

Administration

Principal — Mr. Patrick Ryan

Assistant Principal — Sister Mary Ann

The Senior class could never repay our principal, Mr. Pat Ryan, for all he has done for us and our school.

It seems only fitting for us that we are leaving LMC the same year that Mr. Ryan is retiring. His five years here must have passed quickly; he always seems to enjoy himself here at school.

For four years he's been someone to look up to, someone to receive a nice word from, a friend. You can always count on Mr. Ryan for a warm greeting in the morning and he's always got the time to see you if you want to talk.

The class of '83 salutes Mr. Ryan and says "thanks" for a great four years.

The 1982-83 Cross Country teams, under the guidance of Coach John Carr, both had successful seasons.

The boys team finished with a 9-5 record on dual meets. They made a strong showing in all the invitationals they participated in. The season was highlighted when they finished third in regionals, and qualified for the state meet.

The girls had a successful season also. Their season was highlighted when they upset St. Joe in the Berrien County Meet, finishing in first place. The 1983 Varsity Tennis Team began the year ranked as a top contender for regional title, and proved they deserved that ranking by entering the competition with only a single conference loss to Berrien Springs. Overall the Lakers were 8-7. They finished 2nd in the regionals to Berrien Springs only by a narrow margin and were then eligible to advance to the state finals.

Regional champions were Barry Conybeare, 2nd Singles; John Monte, 3rd Singles; and Leon Newsome and Bill Downey, 2nd Doubles.

At the state meet, stiff competition eliminated all players in the first round except Barry Conybeare and John Monte. After first round victories, Monte was defeated in the quarter finals and Conybeare advanced to the semi-finals, where he was finally defeated also.

We are all very proud of the outstanding job the team did this year under Coach Sandy Bevilaqua and look forward to success in the future.

Musical

“The Boyfriend”

3-Act "You Can't Take It With You"

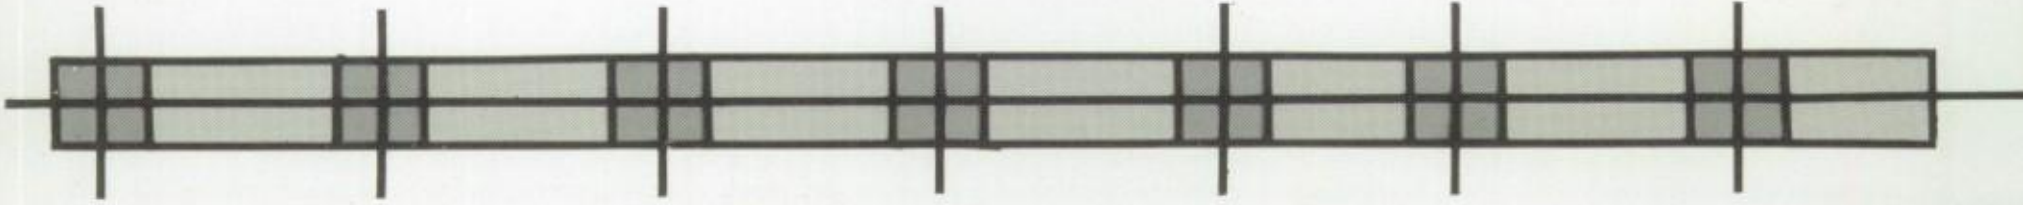

Dinner Theatre

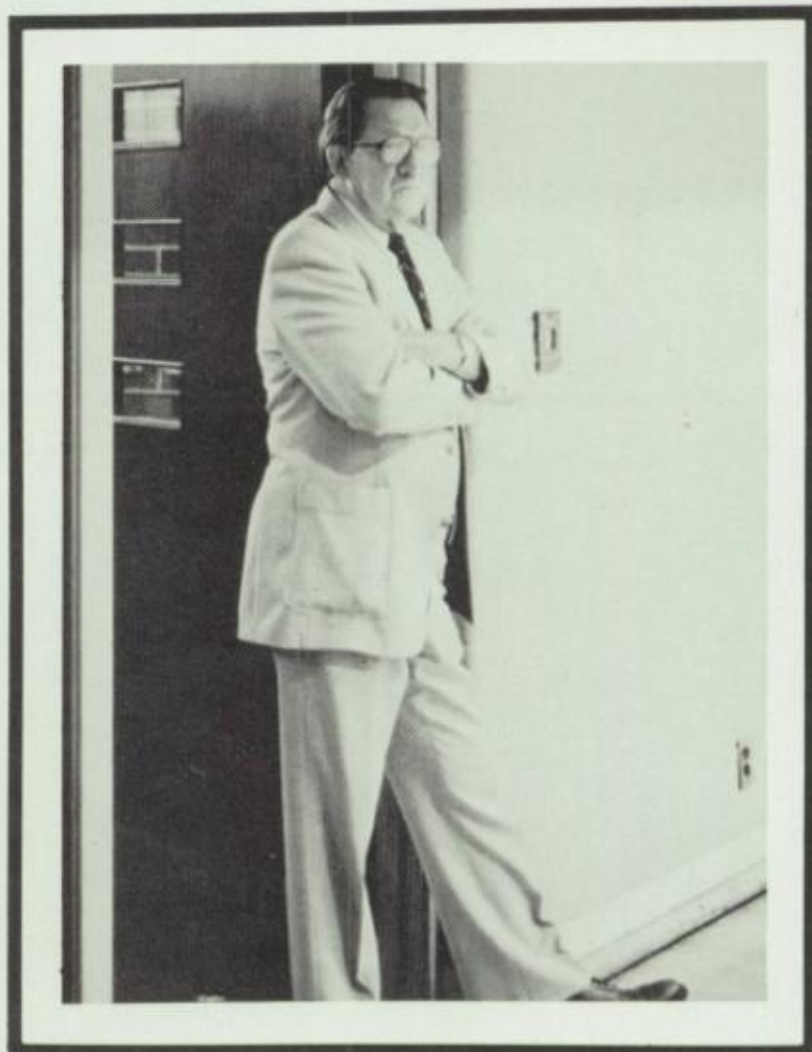

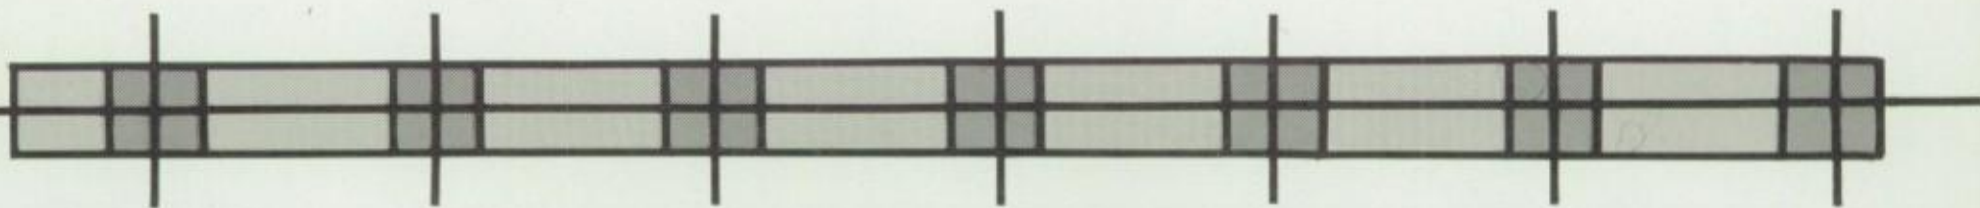

This year, the Laker Dramatists put on a menagerie of successful shows. The fall play, "You Can't Take It With You" was performed at SJHS and later taken to the one act forensic competition at St. John's where it placed 4th.

This year's musical was the 1920's spoof, "The Boyfriend". It also was performed at the SJHS auditorium and provided an evening of dance, song, and high spirited "Boop Boop de doop".

Once again, the drama club presented its annual Dinner Theatre extravaganza. The three shows included with the fine lasagna meal were, "The Ugly Duckling", "Curse You Jack Dalton", and "Early Frost". The cast and crew of the melodrama "Curse You Jack Dalton" went to perform their play at the International Thespian Conference in Muncie, Indiana. Overall, the Drama Club certainly lived up to its expectations in high quality performance and provided thorough enjoyment for all.
